ABOUT ME

I am a Backend Developer passionate and curious about back-end development and the challenges it provides. In addition to my technical skills described in my CV, I consider myself an extremely quick learner, I also have great interpersonal skills, such as: Clear and objective communication, Ability to work in a team, Ability to solve problems, Proactivity and initiative. I seek goals, but also productive and, most importantly, enjoyable teamwork for each of my colleagues.

WORK EXPERIENCE

01/2016 – 02/2018 E.S, Brazil
